A SOCIAL ENTERPRISE OF NEW MOMS

Handmade by the talented young moms in our paid job training program, each Bright Endeavors gift is a symbol of the love, grit, and possibility our participants pour into their work. Bright Endeavors proceeds support New Moms' nonprofit programs providing housing, job training, college success, and family support. Join us as we work together to build a world where every young family thrives.

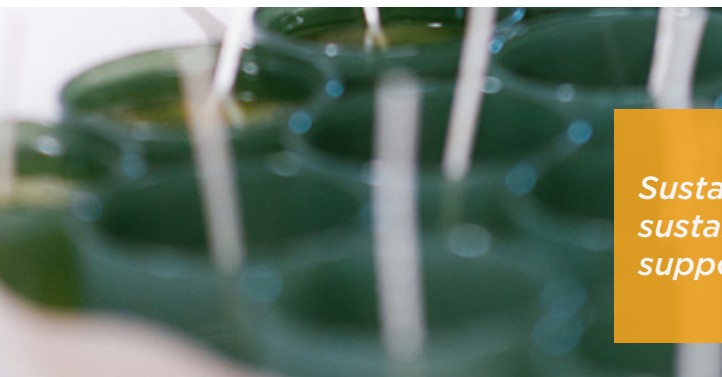

Scents For Anyone: Our handcrafted candles come in a variety of captivating scents and designs, making them a thoughtful and distinctive gift choice.

Share Your Values: By sending our gifts you are sharing your commitment to community with your gift recipients. All proceeds from every gift support our nonprofit programs.

Customization: We offer customization options, allowing you to add your logo or a personalized message.

Sustainability: Our candles are made from sustainable and locally sourced materials to support a healthier planet.
