A SOCIAL ENTERPRISE OF NEW MOMS

## Product Catalog

# JOIN US

As a social enterprise of Chicago nonprofit New Moms, Bright Endeavors proceeds support New Moms' nonprofit programs providing housing, job training, college success, and family support for young moms facing barriers caused by systemic poverty.

Bright Endeavors is where New Moms' mission truly shines. Young moms in the program are learning comprehensive skills, gaining confidence, and forging their career paths through integrated classroom training and on-the-job experience. Participants are paid throughout the program and practice their skills in a safe and supportive environment that prepares them for external employment.

*Join us as we work together to build a world where every young family thrives.*

## Fine Fragrance Collection

Discover true luxury with the Fine Fragrance Collection. Each candle is carefully crafted to elevate ordinary moments into something special. Enjoy the unique scents, appreciate the elegance, and let our exceptional candles ignite dreams. Each candle carries the promise of a brighter future, and directly supports our paid job training program for young moms.
